REQUEST TO RESCHEDULE HEARING DATE

Board of Patent Appeals and Interferences United States Patent and Trademark Office P. O. Box 1450 Alexandria, Virginia 22313-1450

Sir:

Appellant hereby requests that the hearing for the above-identified matter (currently scheduled to be held on 2/4/2010) be re-scheduled so that the inventor/Appellant can attend, and participate, in the hearing.

The inventor/Appellant's attendance and participation in the hearing will be most beneficial to all participants because there is no one better to discuss the key features of the claimed article (a sample of which will be produced at the hearing), and the uses thereof, along with the distribution and use thereof around the world. These factors are highly relevant since

Atty. Dkt. No. SQLAR1120-3 (051264-0306)

the only issues on appeal are art-based issues on which the inventor/Appellant can assist the Board should there be any questions as to the interpretation of such art.

Unfortunately, due to a prior commitment, the inventor/Appellant is not available to attend the hearing as currently scheduled. Participation by phone will deprive the inventor/Appellant of the opportunity to meet face-to-face with the administrative judges handling this appeal, and deprive the administrative judges of the opportunity to fully interact with the inventor/Appellant. In spite of the extensive travel required to attend the hearing (both the inventor/Appellant and Appellant's counsel must travel coast-to-coast to attend the hearing), we are ready, willing and able to do so to maximize the amount of information available to the Board to assist in rendering a decision in this case.

If the request for re-scheduling the hearing is granted, any time in March, or prior to April 14, would be acceptable for the inventor/Appellant's travel schedule.

Thank you for your consideration of this request.

Respectfully submitted,
